STEPS

Please note: Academic Advisors will only evaluate your courses for applicability to your degree. The Office of Transfer Credit and Articulation must first approve your courses for you to obtain transfer credit - this is completed during the "Transfer Credit Process - STEP 1" in your Study Abroad application and the results of the evaluations are emailed to you by your study abroad coordinator.

1. Enter the results of the evaluation of your coursework in the space provided below.
2. Next, connect with your Major(s)/Minor(s) academic advisor(s) to determine how/if the courses will apply toward your degree. **Second language requirements can only be evaluated by the corresponding language department.**
3. Upload completed and signed form to your UAabroadaccount in the section titled Transfer Credit Process: Step 2.
